Copyright© 2006-2010 Nikolaus Gebhardt / Ambiera e.U.

1. Licensed Product and Rights to Use

This is a legal agreement between Ambiera e.U. / Nikolaus Gebhardt (the “LICENSOR“) and you (the “LICENSEE“). It governs the licensee's right to use, extend, bundle, integrate and distribute the CopperLicht software (the “Software“) or parts of it. This Licence is also protected by copyright law.

The Licensor grants the Licensee the limited, worldwide, non-exclusive, non-transferable, non-sublicensable right to use, customize, extend, and redistribute the Software and create derivative works of the Software, forming a “program“. The “program“ refers to any work based on the Software, i.e. containing the Software or a portion of it.

The license extends to minor upgrades up to, but not including, the next major version of the Software for one year. This right is subject to the following conditions and limitations.

2. License Fee

The Licensee pays a License fee of 1900€ (plus value-added tax if applicable) to the Licensor or 79€ (including VAT) in case he is a private person or student. As soon as the Licensor acknowledges the receipt of the fee and this signed agreement, the Licensee may use the Software as defined in this Agreement.

3. Redistribution

The source code of the Software (if provided) and derivative works of it may not be disclosed, transferred, sold or rented to any third party (directly or indirectly).

The Software and derivative works of it may only be distributed in compiled or minificated form as part of a product (for example by using the Google Closure Compiler in `ADVANCED_OPTIMIZATIONS` mode, or the Yahoo YUI Compressor. Examples on how to do this are included in the source package.).

All trademark notices, copyrights and copies of third party license texts (if inclusion is demanded in the respective licenses) must be included in the redistributed Software or derivative work.

4. Ownership of Software

The Software is licensed and not sold. The Software is owned by the Licensor. The Licensor retains all rights, including all copyrights and intellectual property rights in and to the Software, its documentation, title, logos, data files and all copies thereof. All rights not explicitly granted to the Licensee in this License are reserved by the Licensor.

5. Disclaimer of Warranty

THE SOFTWARE IS PROVIDED BY THE LICENSEE "AS IS" AND ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE DISCLAIMED. IN NO EVENT SHALL THE REGENTS OR CONTRIBUTORS BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; LOSS OF USE, DATA, OR PROFITS; OR BUSINESS INTERRUPTION) HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, STRICT LIABILITY, OR TORT (INCLUDING NEGLIGENCE OR OTHERWISE) ARISING IN ANY WAY OUT OF THE USE OF THIS SOFTWARE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

Furthermore, the Licensee acknowledges that he was able to test and use the free version of the Software freely for an unlimited amount of time before agreeing to this license. The Licensee is thus conscious of the exact

functionality provided by the Software and will not claim any missing or wrongly advertised functionality by the Licensor.

6. Nature of Source Code

The Licensee acknowledges that he has been informed about the quality, implementation style and languages of the source code and accepts this.

7. Termination

If the Licensee fails to comply with the terms and conditions of this license, the Licensor will terminate the License agreement and the Licensee immediately has to delete all copies of the Software and its source.

9. Advertisement

Use of the License under this License agreement includes the option but not the right to be linked from a sub page of the ambiera website (i.e. 'Products using the Software'). The Licensor may announce the Licensee's products using the Software on the website at <http://www.ambiera.com> upon wish of the Licensee, but is not obliged to do so by this license.

10. Support

This license does not include support services, although the Licensor can decide to offer the Licensee prioritized support via email. Repeated voluntary provision of support services by the Licensor does not constitute a claim for future provision of support services for the Licensee.

11. Jurisdiction and Choice of Law

Insofar as not otherwise agreed, this Agreement shall be governed exclusively by Austrian law. Austrian law shall also be applied in case of the Licensee being located outside of Austria. The Licensee expressly agrees that exclusive jurisdiction for any claim or dispute with the Licensor linked in any way to the Licensee's use of the Software and/or Documentation resides in the competent court in the town of Vienna, Austria.

12. Severability

Should individual terms of this agreement be or become inoperative, this will not affect the remaining terms of this agreement. The Licensor and Licensee will work in a spirit of partnership to find an arrangement that approximates the inoperative terms as closely as possible.
